

ENG 2DI

Independent Study
Grade 10 Academic

Please take note- this assignment is worth 10% of your final grade. So it is very important that you complete all components of the assignment.

This is a very important summative assignment. It will let the student demonstrate that she/he can write a five (5) paragraph formal literary essay that is MLA formatted. This is a very important skill you will need for Grade 11. Here is the question which lists all that you have to do!!!!

In a well written formal five (5) paragraph essay (MLA formatted) state the theme of the novel and use at least three (3) quotations, examples or paraphrases to illustrate how the author develops this theme.

All of your work must be done independently, following the process outlined below- and each step must meet the approval of the teacher before the student can proceed to the next stage of the process.

The standard late policy of the school will be used for evaluation purposes.

This is a primary source essay so you will not have to do complete any research for this essay.
